Modulus 1964

Our faces reflect memories of our busy days at H.H.S.--the crisp, exciting football games, the fun of greenie day, hoosier hysteria, the school dances, our classes. Commencement culminates our years at H.H.S. and our dreams of the future begin to fuse with our plans for the present.

Through our faces the 1964 Modulus reflects the trials and joys of life at H.H.S.

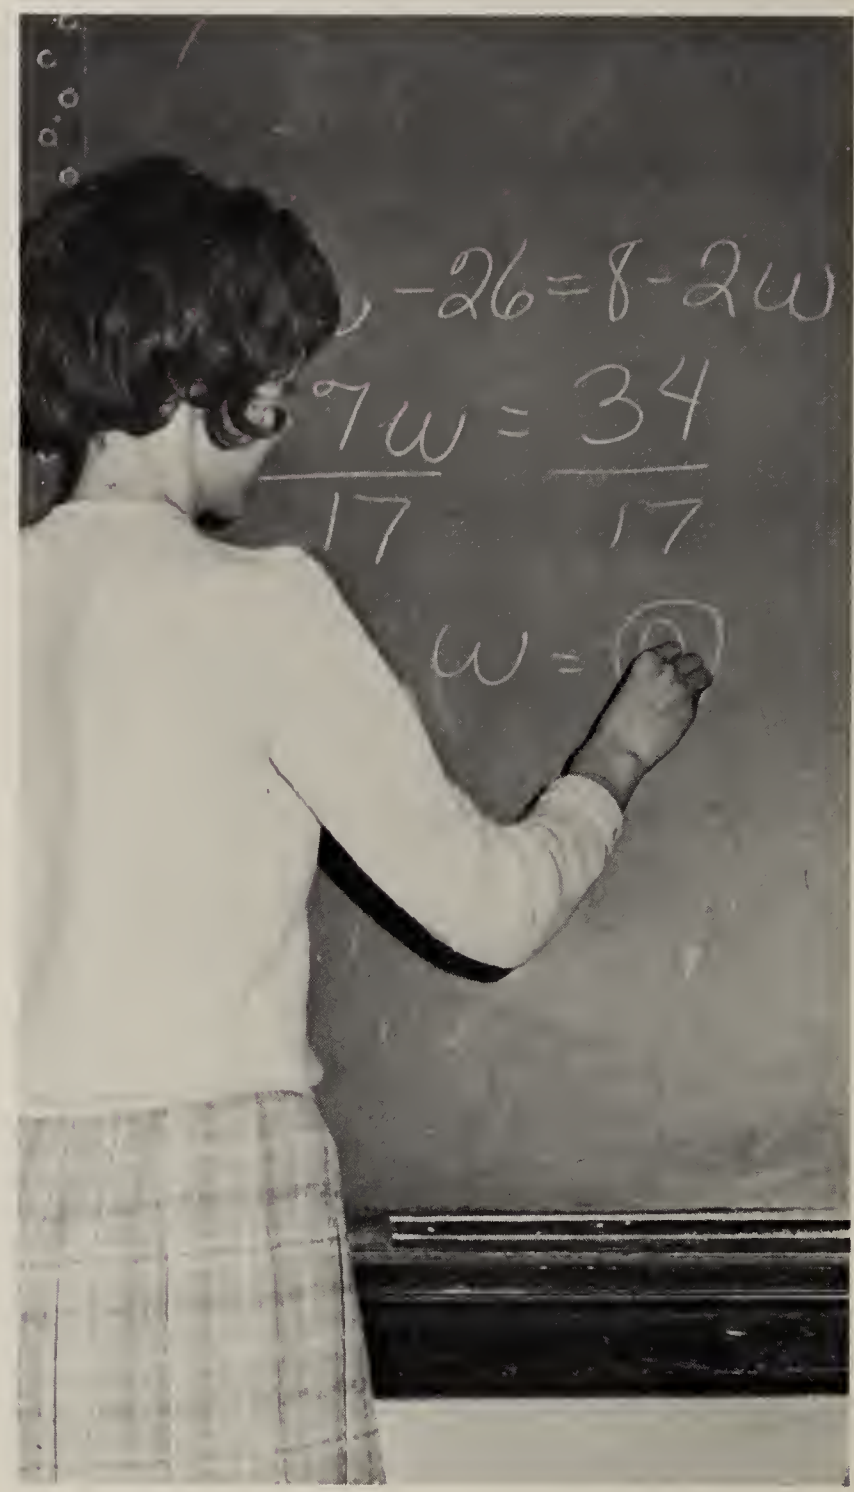
. . .

Freshmen Work Hard

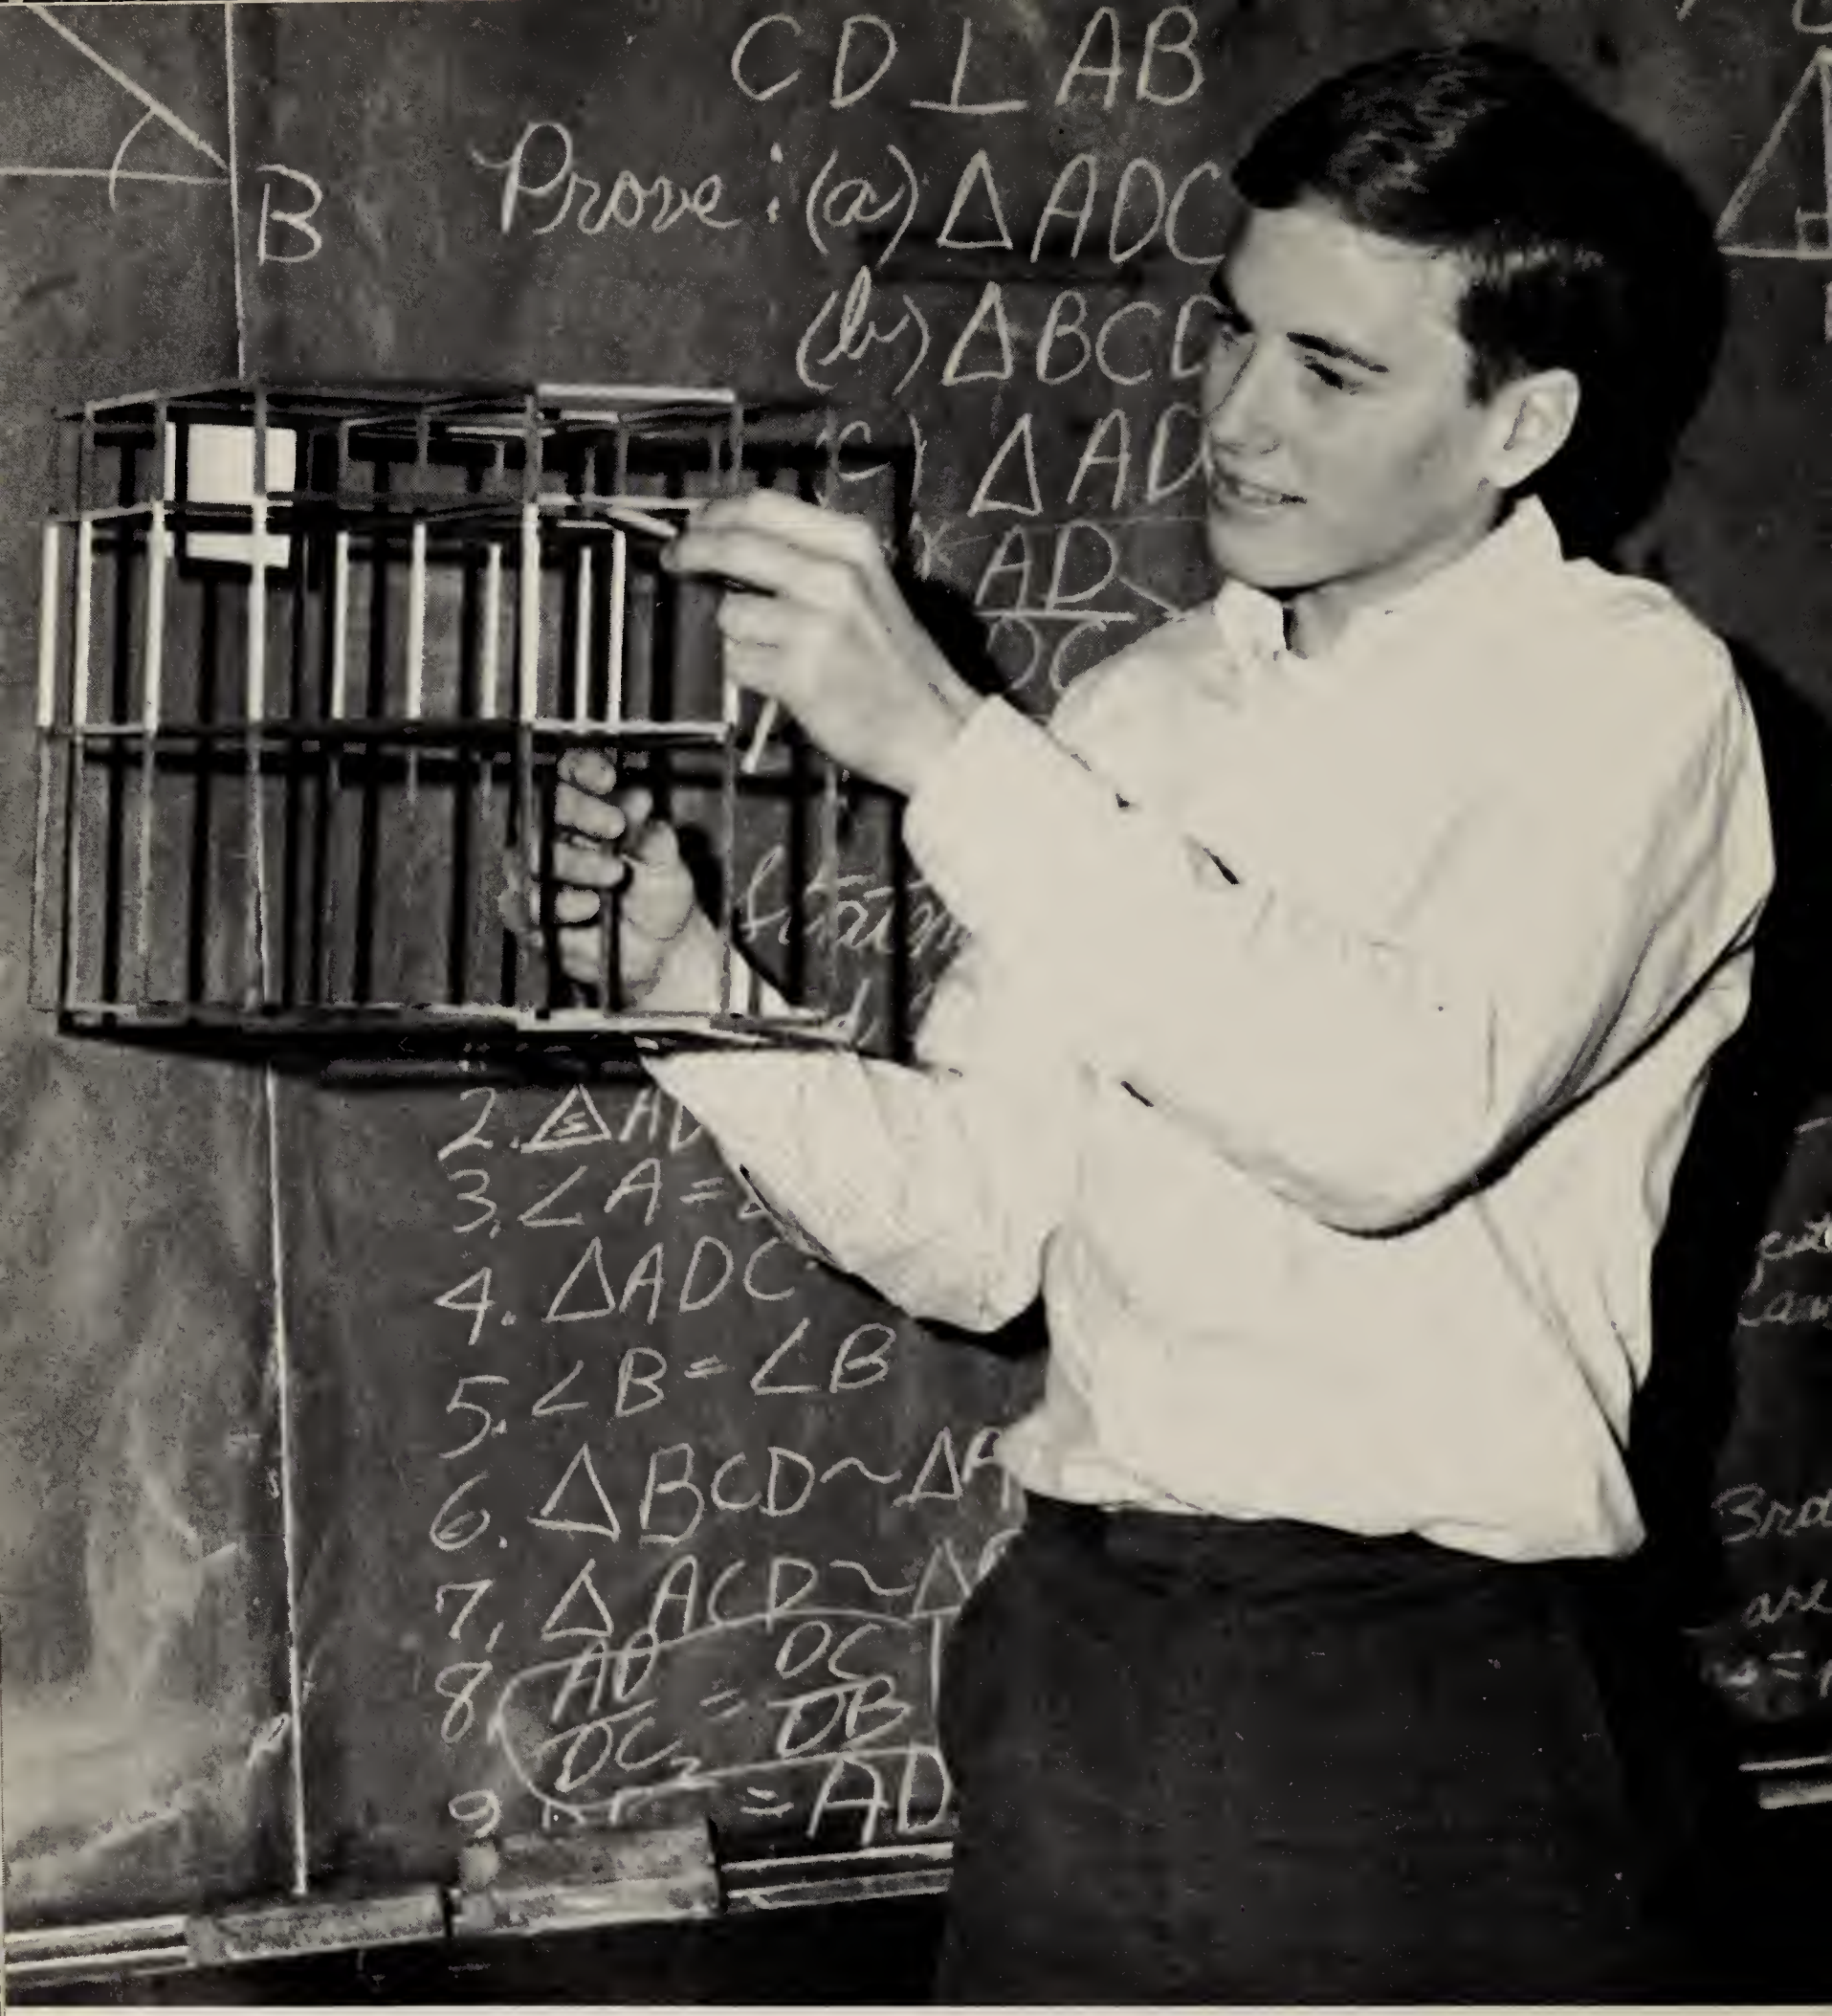
Freshmen are offered a variety of subjects to fulfill their requirements of four solids per semester. English, physical education, and algebra or general mathematics are the three required courses. They may elect to take foreign language, citizenship or world history, biology, general business, beginning mechanical drawing, or home-making.

Freshmen study hard for English.



Sharon solves a basic algebraic equation.

Martha learns plant structure in biology.

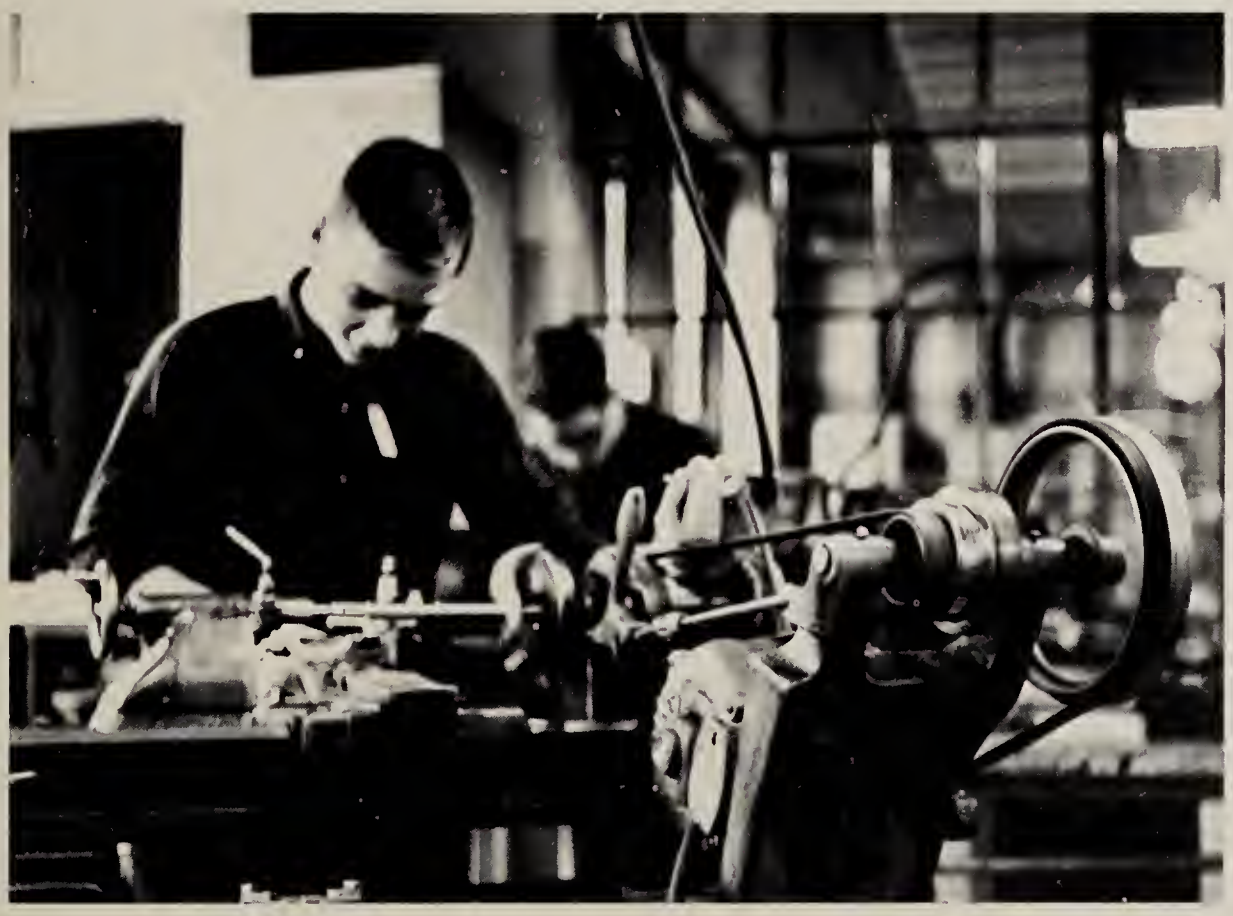


WHICH ONE IS THE SQUARE?

Sophomores Are Learning

Sophomores are beginning to fulfill their four-year schedules. They have on the agenda English and physical education which are requirements. Electives may include geometry, biology, chemistry (if included in the four-year science program), industrial arts, home economics, fine arts, business courses, world history, or foreign language.

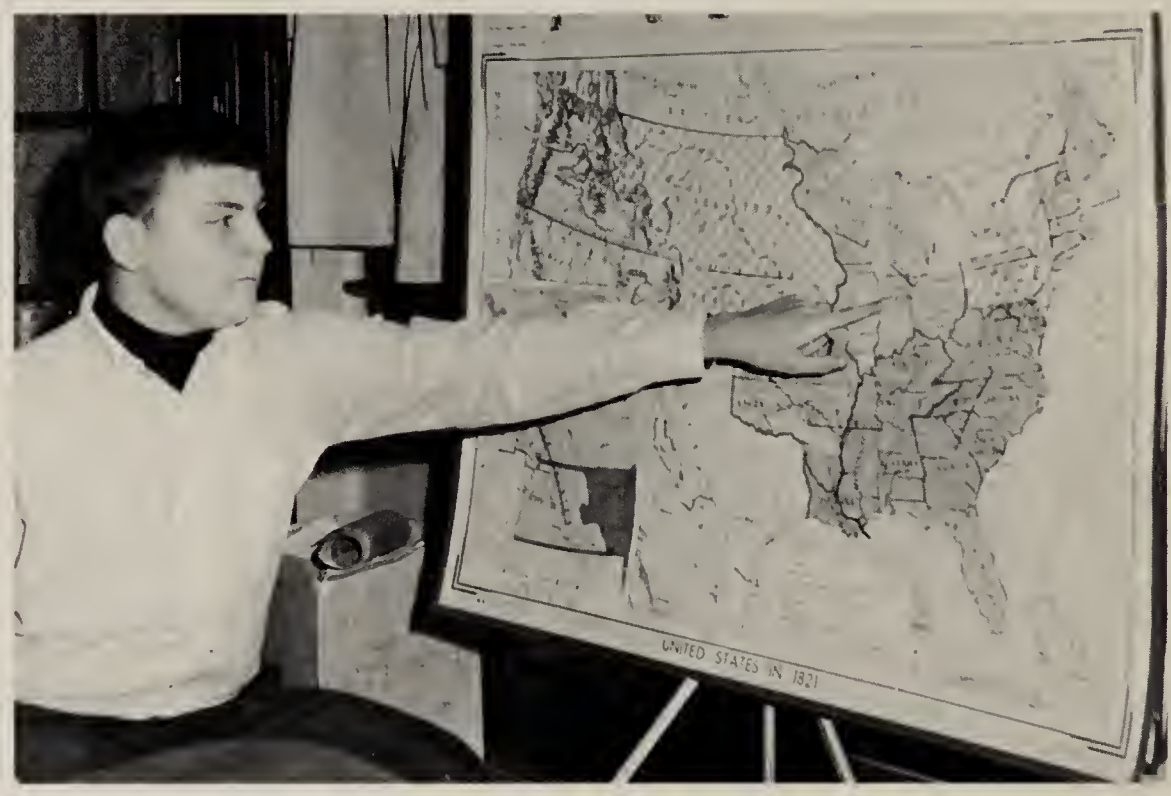
WHAT'S COOKIN'?



Metal shop trains for industry.

Juniors Are Smart

Huntington High School requires juniors to take United States History and English. For the college-bound student advanced algebra, college preparatory English, chemistry, advanced chemistry and advanced biology are offered. A business course of shorthand, typing, bookkeeping, commercial law, and business arithmetic is available.



Sam points out an important part of the United States.

Steve pleads for mercy.

ABA-CADABRA!!

Seniors Know All

Seniors are required to take only two single semester courses--civics and either sociology or economics. Besides these subjects senior students may elect such advanced courses as composition and English literature, trigonometry and college algebra, physics, and courses in woodworking and machine shop, printing, art, shorthand transcription, and bookkeeping.

Mr. Diffenbaugh demonstrates a physics principle.

Who gets the pop quiz today?

Anneliese learns the American voting procedure in civics.

Students develop reading skills in senior English.

Administration

The School Board

The five members of the School Board, each elected by the City Council for a term of three years, are deemed responsible for the policies of our school system. This year their duties have been especially demanding since they have been confronted with making plans for a bigger and better high school. The present members are Max Wiley, president, V. P. Caldwell, treasurer, Milton Marx, secretary, Mrs. Earl Overholt.

In Memoriam

After an illness of several months Mr. Leslie E. Wilbern, business education teacher for nineteen years, died Sunday, March 1, 1964. For the last three years he had sponsored the FTA and previously the Modulus and the Modulus Revue. His teaching was an inspiration to the students who were privileged to have him for a teacher.

Sectional . . .

Regional . . . State!

Semi-State . . .

The Huntington Vikings proved that they were the best as they won the Sectional, Regional, and Semi-State high school basketball tournaments. They easily beat their opponents in the Sectional and in the Regional, but had a close battle with Elkhart in the evening game of the Semi-State. The Vikings surprised many by beating the number-one team in the state, Columbus, and went on to the evening game--the farthest Huntington had gone in the history of Huntington High School. The Vikings became the State Runners-up, and the coveted Trester Award was given to Mike Weaver. Although the Vikings were the runners-up, as far as most are concerned, the Vikings were the State Champions.

The Viking fans' faces reflect mixed emotions.

Welcome home, Vikes. You're our State Runner-up champs.

SCYLDING CHEERLEADERS--Susie Feazel, Carla Rice, Nancy Molter.

MANAGERS--Steve Updike, Dan Allen, Dave Bischoff.

Scyldings include: FRONT ROW--Bob Allison, Don North, Ron Schenkel, Lon Kneller, Doug Lewis, Kurt Vanner. BACK ROW--Joe Powers, John Thompson, Doug Ware, John Pegan, Bill Roberson, Roger Cook.

Our Future Vikings

This year's Scylding basketball squad, coached by Paul Buzzard, followed the varsity's example by compiling a record of sixteen wins and only two losses.

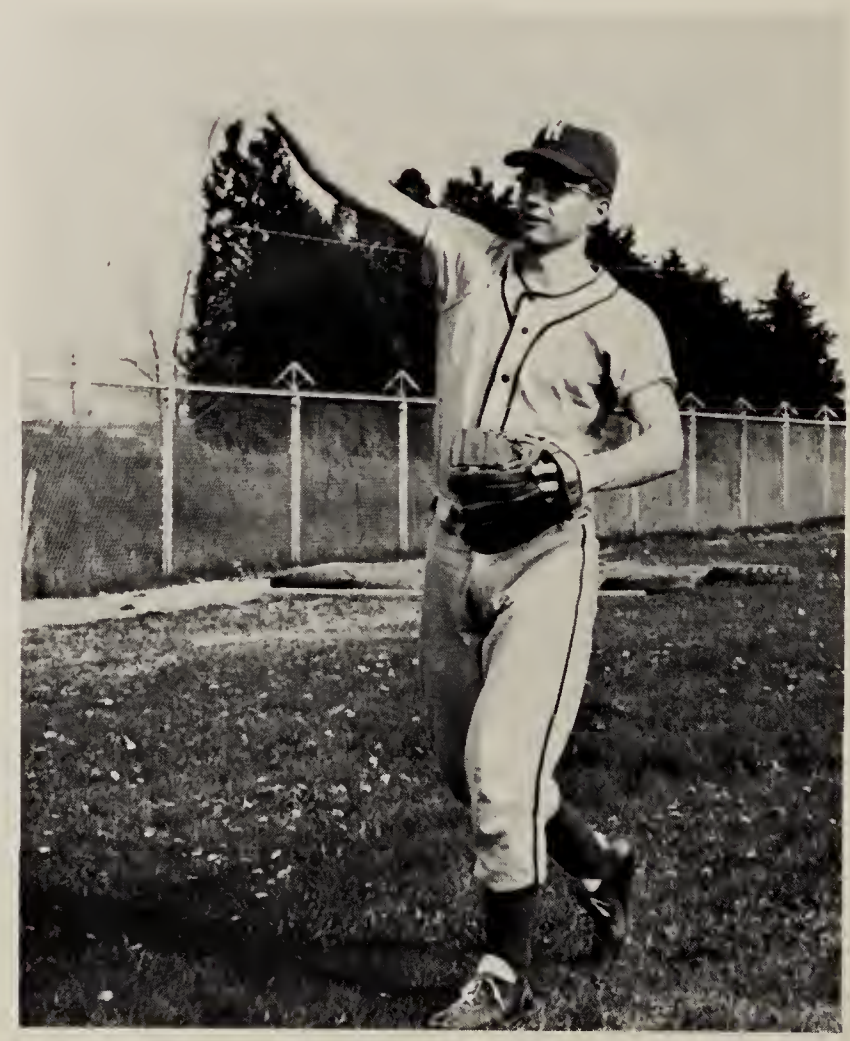
The Frosh squad finished the 1963-64 season with seven wins and eight losses, outscoring their opponents by a total of sixty-nine points. Many good prospects for the 1965 Varsity team are anticipated from these underclassmen.

FRESHMAN BASKETBALL TEAM--SITTING: Steve Weber. 1st ROW--Bob Raver, Max Carroll, Joe Baumgardner, Ronnie Miller, Roger Linsmeyer, Rich Sellers. 2nd ROW--Dave Kline, Barry Watkins, Steve Schenkel, Mike Nichols, Steve Keipper. 3rd ROW--Ken Heck, Tom Repp, Jim Tewel, Jeff Webster, 4th ROW--Coach Naab, Fred Ambler, Mel Ulrich, Joe Wiley, Jerin Clements, Coach Goodmiller.

BASEBALL TEAM: SITTING--Jim Hauge, Ron Miller, John Mauman, Steve Kitt, Steve Bar, Ron Altenhoff, Mel Ulrich, John Overly, Steve Schultz, Dan Allen. STANDING--Ron Schenkel, Mr. Paul Buzzard (coach), Don Martin, Dan Kindler, Phil Underhill, Jerry Funk, Jim Schoeff, Chuck Close, Paul Satterthwaite, Terry Hammel, Dave Stamper, Dave Burchett, Tom Hughes, Tom Okuly, Ron Schenkel, Bob Pressler, Lon Kneller, Roger Cook, Bill Roberson, Jim Tewel, Bill Brebaugh, Mark Jenks, Dave Draper, Mac Doermann, Dave Bischoff, Mr. Leon Goodmiller (asst. coach).

Baseball

Coach Paul Buzzard's Viking baseballers rode solid hitting and ever improving fielding to highlight the 1964 baseball season. Bad weather hampered early practices and the Vikes started slow but picked up steam rapidly. They had an even record of wins and losses, and one tie. Leon Goodmiller was the assistant coach, a position instigated this year.



The pitcher warms up.

This season our cross country team won its first meet in Viking history. Winning its first three meets shows how much the team has progressed as compared with previous records.

All thirteen team members will be back next season. The harriers compiled a 3-5 record and gained vital experience for next year's campaign. Our hats are off to Coach Van Poer!

Members of the Cross Country Team were Tom Mygrant, Marvin Cantrell, Don Cook, Steve Keipper, Cary Fields, Jim Hauge, Lee Flaugher, Doug Lewis, Dan Soper, Eddie Cowden, Tom Repp, Dwight Anderson, and Joe Rowers.

Cross Country Track

In many aspects the track season was disappointing. Although the Viking harriers placed third in the C.I.C. track meet to help Huntington gain the All Sports trophy, they still had a poor record.

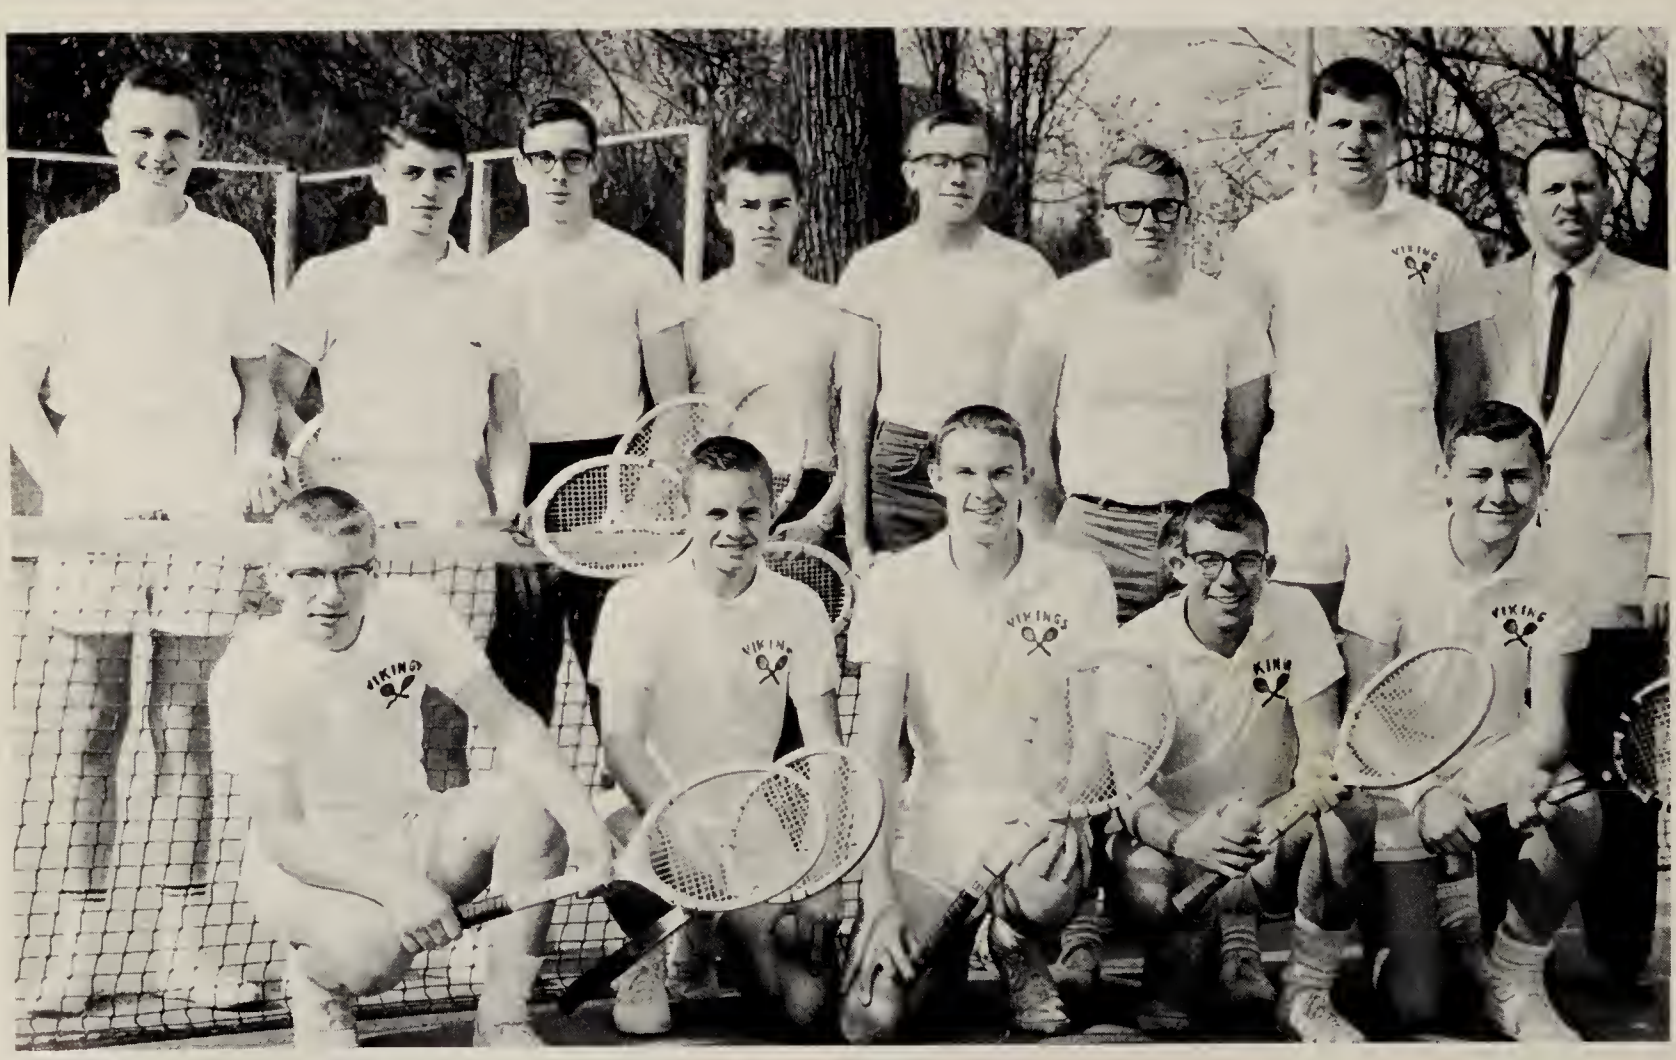
But the track future is better for next seasons's fans. The team is losing only two men and gaining much new talent. So with better luck in weather and injuries, the track team should come through in flying colors next year.

TRACK TEAM--FIRST ROW--Tom Berry, Marvin Bangs, Joe Baumgardner, Dean Hartley, Jerry Shideler, Taylor Cope, Marvin Cantrell, Tom Mygrant, Jay Howard, Fred Ambler. SECOND ROW--Pat Callahan, Don North, Steve Weber, Ron Webb, Steve Fulton, Joe Wiley, Rick Morrett, Jerry Sell, Tom Harrell, Dave Kline, Bob Allison, Bob Raver, Bill Fulton, Steve Keipper.

Tennis

The Huntington High School tennis team finished another commendable season this year, winning eight of their twelve regular season games. Seniors Roger Ross and Jerrome Herrburg, whose losses will be heavily felt, played a prominent part in many of the victories, including those over Fort Wayne Central, Marion, Bluffton, and Concordia. At the South Side Doubles Tournament they were both runners-up in the first team doubles.

Others who furthered Huntington's reputation in tennis were Wayne Fryer and Doug Hammel, who will probably lead the team effort next year, John Pegan, senior Dave Kroot, and Jon Ellet. It is expected that since "practice makes perfect," Huntington's prospects on the tennis court next year should be very good as they will re-welcome several veteran players.



FIRST ROW--Doug Hammel, Jerome Herberg, Roger Ross, Dave Kroot, Wayne Fryer. SECOND ROW--Dennis Pressler, Steve Coyle, Tom Foster, Dick Eckert, Stan Seitz, Jon Ellet, John Pegan, Coach Coffman.

Golf

GOLF TEAM: Dan Quayle, Mike Shumaker, Dick Klos, Steve Meyer, Tom Gearhart, Bob Steele, Coach Poer, Terry Webb, Dave Smith, Doug Hammel, Mike Brock, Kurt Vanner, Dave Tipmore.

The Golf Team--A Success It's First Season

Huntington High School was proud of its first golf team. Although the team failed to win either the C.I.C. and the Sectional, the team compiled a respectable record of wins and aided in gaining the All-Sports Trophy for Huntington High School.

One of the team's members, Dan Quayle succeeded in qualifying for the State Golf Tournament. The high school was justly proud of Dan. Mike Shumaker, the only senior on the team will be missed, however, the remainder of the team is composed of juniors and underclassmen who are constantly improving. The outlook for next year is very bright.

Girls' Athletics

The Huntington High girls are physically fit! Under the supervision of the physical education department they participate in intramural athletic competition in such sports as volleyball, decktennis, softball, tennis, and archery. The female athletes also participate in swimming, bowling, tumbling and basketball.

Anneliese and Susie point out their native country on the globe.

This past year H.H.S. has had two German students as a part of the student body. Anneliese Kubina was the Y.F.U. exchange student, and Susie Posselt was visiting her aunt, Mrs. Madeline Weber.

Anneliese came from Syke, Germany, and resided with the John McClure family while in America. She wanted to come to America to understand the American way of life. Under the Youth For Understanding program Anneliese stayed in America from August, 1963, until August, 1964.

Susie also wanted to come to America to widen her knowledge of our country, and she has traveled in many parts of the United States, as has Anneliese.

Cheering Block

This year the HHS cheering block was larger than ever. 198 girls attended practice every week and backed the Vikings at every home game. Until tournament time the cheering block made only one trip out of town, which was to Warsaw. Leading the block in yells were the Viking and Scylding cheerleaders.

Booster Club

From the looks of his sign it seems that Marv doesn't know how to spell.

"Butler Floor In 64" was the Booster Club motto; and thanks to the Viking team efforts, the club really had something for which to work.

The Booster Club covered the halls of H.H.S. with encouragement for seven months. During tournament time, members painted the town black and red.

Helping Booster Club sponsor, Mr. Don Betterly, were the following: John Brown, president; Julie Cope, secretary; and Sharon Watson, treasurer. Marvin Cantrell was elected president and Susie Stahl vice-president for the next school year.

The Whisper Staff obtained a new sponsor and a new way of selecting editors. The new sponsor, Mrs. LeMaster, introduced a different way of selecting an editor this year. Instead of the usual one editor for the entire year, she had the students rotate positions as head editor and special editors.

Helping the counselors were high school girls whose main jobs were running errands, typing, and filing.

In its second year, the Science Club, under the direction of Robert Diffenbaugh and Max Fordyce, has provided opportunities for those interested in the field to go beyond classroom instruction. Its members toured Bell Telephone Company, the Huntington College science department, visited Purdue and Indiana Universities, attended science fairs, heard visiting scientists speak, and took part in lab nights at the high school. Ending the year's activities was a picnic at Lagro, where the Salamonie Dam was seen under construction.

Addenda

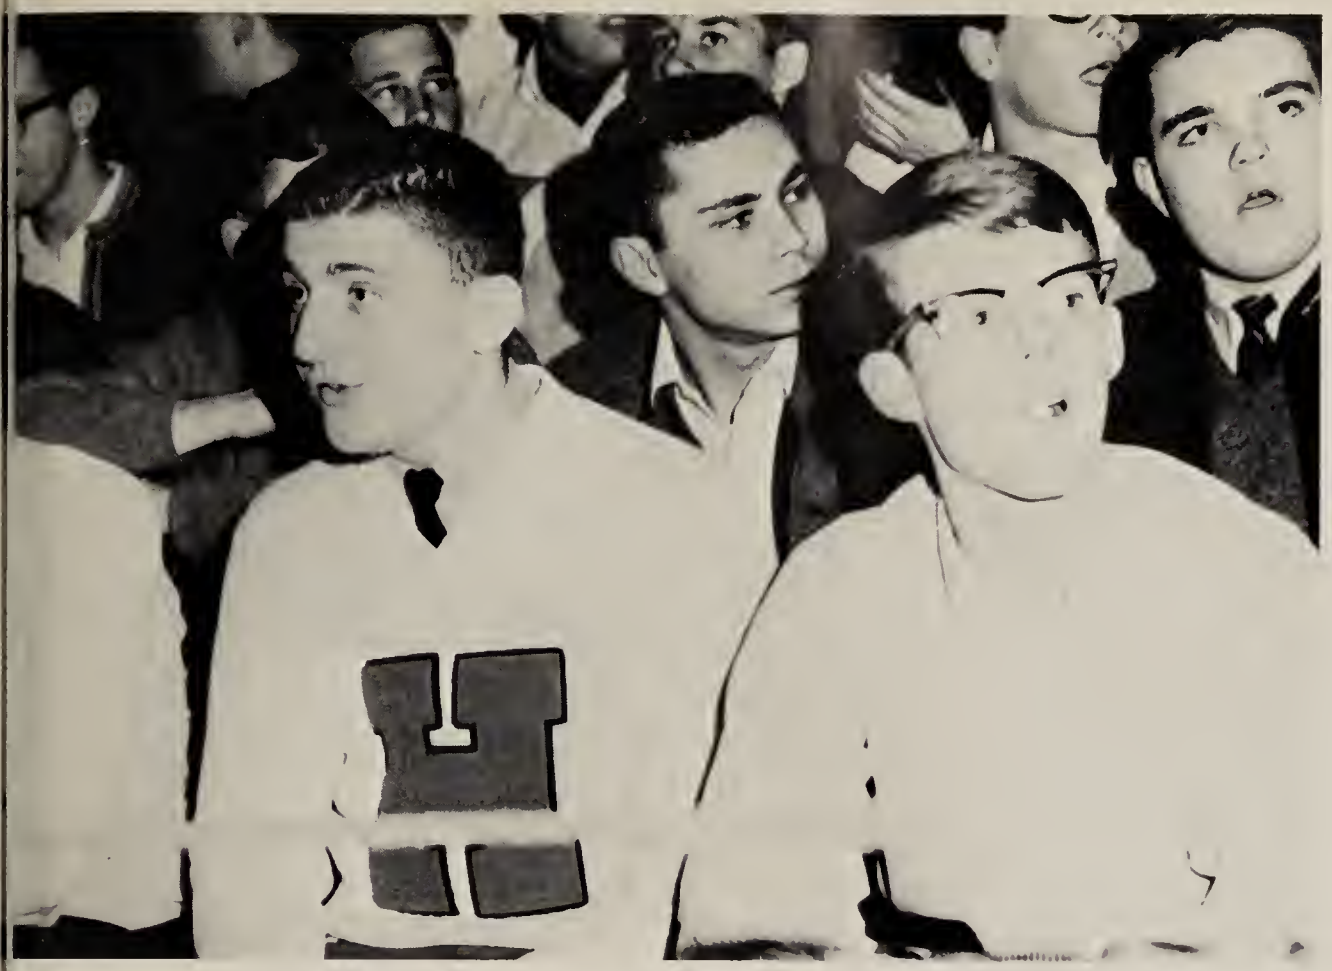
Come back to us, Mr. Ware.

Steve has a new hat.

Viking fans parade up Jefferson Street, proud of their mighty Vikes.

Aw now, Diff--it's not all that bad, is it?

Some girls have trouble keeping things tidy.



The boys seem flabbergasted.

Mr. Poer coaches the Cross-Country team the easy way.

Rita and Taylor study cozily in noon study hall.

Talk about a snow-job!

Girls' prepare for school at school.
